Experience

Front End Web-Development Internship

Nov. 2023 - Present

INTRAINZ

HTML, CSS, JavaScript, Bootstrap, Project Management

- In this Internship, I was responsible for developing multiple front-end web applications with assistance of my mentor.
- Additionally, I also assisted in website optimization to ensure that the website is user-friendly and responsive to the customer.

Projects

MY PORTFOLIO (React Application)

GitHub Repository

HTML, TailwindCSS, JavaScript, ReactJs

- A React Web App created for representing my skills and work.
- Front-end was made using ReactJs and TailwindCSS. Animations were given using GsapJs

JOB PORTAL (MERN Application)

GitHub Repository

ReactJs, TailwindCSS, NodeJs, ExpressJs, MongoDB

- A completely working Job Portal created using MERN, TailwindCSS, with all the necessary functionalities and mobile responsiveness.
- It contains functions like posting a job, searching for a new job using multiple filters and applying for multiple jobs.

RESUME BUILDER (React Application)

GitHub Repository

HTML, CSS, JavaScript, ReactJs

- A React Web Application which can be used to make Resume/CV.
- Users can also edit and download the resume as a Pdf file.

Skills

Languages:

C, C++, HTML, CSS, JavaScript

Databases:

SQL, MySQL, MongoDB

Technologies & Frameworks:

ReactJs + Vite, NodeJs + ExpressJs, TailwindCSS, Git+GitHub, MS Office

Certifications

Web-Development Boot Camp 2023 - Angela Yu (UDEMY)

Summary

A Punctual and Enthusiastic B-tech student, constantly seeking new opportunities to grow and contribute in tech field. My aim is to acquire new skills to make up with the constantly growing market. I'm excited to connect with like-minded individuals and collaborate on multiple projects.
